

ARTICLE III. THE PAY PLAN

Section 1. Definition

The pay plan includes the basic salary schedule and the "Assignment of Classes to Grades" adopted by the Town Board. The salary schedule consists of a hiring rate, minimum, midpoint, and maximum rate of pay for all classes of positions, and a designation of the standard hours in the work week for each position. The salary schedule consists of hiring (or beginning rate), minimum (normally probation completion), midpoint and maximum rates of pay for all classes of positions.

Section 2. Administration and Maintenance

The Town Manager, assisted by the Human Resources Officer, shall be responsible for the administration and maintenance of the pay plan. All employees covered by the pay plan shall be paid at a rate listed within the salary range established for the respective position classification, except for employees in a trainee status or employees whose existing salaries are above the established maximum rate following transition to a new pay plan.

The pay plan is intended to provide equitable compensation for all positions, reflecting differences in the duties and responsibilities, the comparable rates of pay for positions in private and public employment in the area, changes in the cost of living, the financial conditions of the Town, and other factors. To this end, each budget year the Human Resources Officer shall make comparative studies of all factors affecting the level of salary ranges including the consumer price index, anticipated changes in surrounding employer plans, and other relevant factors, and will recommend to the Town Manager such changes in salary ranges as appear to be pertinent. Such changes shall be made in the salary ranges such that the minimum, midpoint, and maximum rates change according to the market subject to approval by the Town Board.

Periodically, the Town Manager shall recommend that individual salary ranges be studied and adjusted as necessary to maintain market competitiveness. Such adjustments will be made by increasing or decreasing the assigned salary grade for the class and adjusting the rate of pay for employees in the class when the action is approved by the Town Board.

Section 3. Starting Salaries

All persons employed in positions approved in the position classification plan shall be employed at the hiring rate for the classification in which they are employed; however, exceptionally well qualified applicants may be employed above the hiring rate of the established salary range upon recommendation of the department head and Human Resources Officer and approval of the Town Manager.

Section 4. Trainee Designation and Provisions

Applicants being considered for employment or Town employees who do not meet all of the requirements for the position for which they are being considered may be hired, promoted, demoted, or transferred by the Town Manager to a "trainee" status. In such cases, a plan for training, including a time schedule, must be prepared by the department head.

"Trainee" salaries shall be no more than two salary grades below the hiring salary rate established for the position for which the person is being trained. A new employee designated as "trainee" shall be regarded as being in a probationary period. However, probationary periods shall be no less than six months and trainee periods may extend up to eighteen months. A trainee shall remain a probationary

employee until the trainee period is satisfactorily completed.

If the training is not successfully completed to the satisfaction of the Town Manager, the trainee shall be transferred, demoted, or dismissed. If the training is successfully completed, the employee shall be paid at least at the hiring rate established for the position for which the employee was trained.

Section 5. Probationary Pay Increases

Subject to the availability of funds, employees hired or promoted into the hiring rate of the pay range shall receive a salary increase within the pay range of approximately 5% upon successful completion of the probationary period or upon six months of satisfactory service if the employee is not on probation.

Employees serving a twelve-month probationary period will be considered for this increase after six months of employment; employees with a twelve-month probationary period who receive an increase at the six month review will not be eligible for an increase at the end of the twelve-month probationary period. Employees hired or promoted at or the minimum of the salary range are eligible for a probationary increase of up to 5%.

Section 6. Performance Pay

Upward movement within the established salary range for an employee is not automatic, but rather based upon specific performance-related criteria. Procedures for determining performance levels and performance pay increases or other performance-related movement within the range shall be established in procedures approved by the Town Manager.

Section 7. Performance Pay Bonus

Employees who are at the maximum amount of the salary range for their position classification are eligible to be considered for a performance pay bonus at their regular performance evaluation time. Performance pay bonuses shall be awarded based upon the performance of the employee as described in the performance evaluation and in the same amounts as employees who are within the salary range. Performance pay bonuses shall be awarded in lump sum payments and do not become part of base pay.

Section 8. Salary Effect of Promotions, Demotions, Transfers, and Reclassifications

Promotions. The purpose of the promotion pay increase is to recognize and compensate the employee for taking on increased responsibility. When an employee is promoted, the employee's salary shall normally be advanced to the hiring rate of the new position, or to a salary which provides an increase of at least 5% over the employee's salary before the promotion, whichever is greater. In the event of highly skilled and qualified employees, shortage of qualified applicants, or other reasons related to the merit principle of employment, the Town Manager may set the salary at an appropriate rate in the range of the position to which the employee is promoted that best reflects the employee's qualifications for the job and relative worth to the Town, taking into account the range of the position and relative qualifications of other employees in the same classification. In no event, however, shall the new salary exceed the maximum rate of the new salary range. In setting the promotion salary, the Town shall consider internal comparisons with other employees in the same or similar jobs.

Demotions. Demotion is the movement of an employee from one position to a position in a class assigned to a lower salary range. When an employee is demoted to a position for which qualified, the salary shall be set at the rate in the lower pay range which provides a salary commensurate with the employees' qualifications to perform the job and consistent with the placement of other employees

within the same classification in that salary range. If the current salary is within the new range, the employee's salary may be retained at the previous rate if appropriate. If the demotion is the result of discipline, the salary shall be decreased at least 5% but no less than the minimum of the range. Salaries of demoted employees may be no greater than the maximum of the new range.

Transfers. The salary of an employee reassigned to a position in the same class or to a position in a different class within the same salary range shall not be changed by the reassignment.

Reclassifications. An employee whose position is reclassified to a class having a higher salary range shall receive a pay increase of 5% or an increase to the hiring rate of the new pay range, whichever is higher. If the employee has completed probation, the employee's salary shall be advanced to at least the probation completion amount in the new range.

If the position is reclassified to a lower pay range, the employee's salary shall remain the same. If the employee's salary is above the maximum established for the new range, the salary of that employee shall be maintained at the current level until the range is increased above the employee's salary.

Section 9. Salary Effect of Salary Range Revisions

When an individual class of positions is assigned to a higher salary range, employees in that class shall normally receive a pay increase of 5%, or to the hiring rate of the new range, whichever is higher. If the employee has passed probation, the employee's salary shall be advanced at least to the probation completion amount in the new range. When a class of positions is assigned to a lower salary range, the salaries of employees in that class will remain unchanged. If this assignment to a lower salary range results in an employee being paid at a rate above the maximum rate established for the class, the salary of that employee shall be maintained at that level until such time as the employee's salary range is increased above the employee's current salary.

Section 10. Transition to a New Salary Plan

The following principles shall govern the transition to a new salary plan:

- 1) No employee shall receive a salary reduction as a result of the transition to a new salary plan.
- 2) All employees being paid at a rate lower than the hiring rate established for their respective classes shall have their salaries raised at least to the new hiring rate for their classes.
- 3) All employees being paid at a rate below the maximum rate established for their respective classes shall be paid at a rate within the salary schedule
- 4) All employees being paid at a rate above the maximum rate established for their respective classes shall have their salaries maintained at that salary level with no increases until such time as the employees' salary range is increased above the employees' current salary.

Section 11. Effective Date of Salary Changes

Salary changes approved after the first working day of a pay period shall become effective at the beginning of the next pay period, or at such specific date as may be provided by procedures approved by the Town Manager.

Section 12. Fair Labor Standards Act and Overtime Pay Provisions

Employees of the Town can be requested and may be required to work in excess of their regularly scheduled hours as necessitated by the needs of the Town and determined by the department head. Overtime work should normally be approved in advance by the department head, Town Manager or other designee.

To the extent that local government jurisdictions are so required, the Town will comply with the Fair Labor Standards Act (FLSA). The Human Resources Officer shall determine and recommend to the Town Manager which jobs are "non-exempt" and are therefore subject to the Act in areas such as hours of work and work periods, rates of overtime compensation, and other provisions.

Non-Exempt Employees

Employees are expected to work during all assigned periods exclusive of breaks or mealtimes. Employees are not to perform work at any time that they are not scheduled to work, unless they receive approval from their department head or supervisor, except in cases of emergency.

Non-exempt employees will be paid at a straight time rate for hours up to the FLSA established limit for their position (usually 40 hours in a 7-day period; 171 hours for sworn police in a 28 day cycle and 212 for fire). Hours worked beyond the FLSA established limit will be compensated in either time or pay at the appropriate overtime rate.

In determining eligibility for overtime in a work period, only hours actually worked shall be considered; in no event will vacation, sick leave, or holidays be included in the computation of hours worked for FLSA purposes.

Whenever practical, departments will schedule time off on an hour-for-hour basis within the applicable work period for non-exempt employees, instead of paying overtime. When time off within the work period cannot be granted, overtime worked will be compensated in accordance with the FLSA.

Compensatory leave balances may not exceed 240 hours except for public safety employees (sworn police and fire) who may not accrue more than 480 hours. Any overtime worked after such maximum balances must be compensated in pay. The Town Manager will be notified whenever a compensatory balance exceeds 100 hours.

In emergency conditions, when long and continuous work is required over multiple days, the Town Manager may approve special overtime compensation.

Exempt Employees

Employees in positions determined to be "exempt" from the FLSA (as Executive, Administrative or Professional staff) are paid on a salary basis and will not receive pay for hours worked in excess of their normal work periods. These employees may be granted occasional compensatory leave by their supervisor where the convenience of the department allows and in accordance with procedures established by the Town Manager. Such compensatory time is not guaranteed to be taken and ends without compensation upon separation from the organization.

In declared disaster or emergency situations requiring long and continuous hours of work, exempt employees may be compensated at a rate of up to time and one half and/or be granted time off with pay for rest and recuperation to ensure safe working conditions for the duration of the emergency period, when authorized by the Town Manager or Town Board.

Section 13. Stand-by and Call-back Pay

The Town provides a continuous twenty-four hour a day, seven day a week service to its customers. Therefore, it is necessary for certain employees to respond to any reasonable request for duty at any hour of the day or night. One of the conditions of employment with the Town is the acceptance of a share of the responsibility for continuous service, in accordance with the nature of each job position. If an employee fails to respond to reasonable calls for emergency service, either special or routine, the employee shall be subject to disciplinary actions up to and including dismissal.

Stand-by. Stand-by ("on-call") time is defined as that time when an employee must carry a pager or other communication device and must respond immediately to calls for service. Non-exempt employees required to be on "stand-by" duty will be paid for five hours of work at straight time for each week of stand-by time they serve. Standby schedules must be approved by the Town Manager in advance.

Standby time requiring an employee to remain at a designated location or otherwise substantially restrict personal activities in order to be ready to respond when called is considered work time under the provisions of the FLSA.

Call-back. Non-exempt employees will be guaranteed a minimum payment of two hours of wages or compensatory time for being called back to work outside of normal working hours. Hours actually worked while on call-back are calculated beginning when the employee reports to the work site and are added to the regular total of hours worked for the week. "Call-back" provisions do not apply to previously scheduled overtime work (scheduled in advance).

Section 14. Payroll Deductions

Deductions shall be made from each employee's salary as required by law. Additional deductions may be made for insurance or for other reasons as authorized by the Town Manager considering the capability of the payroll system, associated increase in workload, and appropriateness of the deduction.

Section 15. Hourly Rate of Pay

Employees working in a part-time or temporary capacity with the same duties as full-time employees will normally work at a rate in the same salary range as the full-time employees.

The hourly rate for employees working other than 40 hours per week, such as police officers working an average 42 hours per week, will be determined by dividing the average number of hours scheduled per year into the annual salary for the position.

Section 16. Longevity Pay

The Town of Blowing Rock provides a longevity pay bonus to recognize faithful service of regular employees. The policy provides for a lump sum bonus to be paid annually each November to an employee hired prior to November 1 of that year and based on service time as of November 1 of each year. Employees qualify for bonuses based on the following years of service with the Town.

| <u>Years of Service</u> | <u>Longevity Amount</u> |
|-------------------------|-------------------------|
| 0 to 1 | \$ 100 |
| 1 to 2 | 200 |
| 2 to 3 | 400 |
| 3 to 4 | 600 |

| | |
|--------|------|
| 4 to 5 | 800 |
| 5 plus | 1000 |

Longevity Pay for regular part-time employees is \$100.00. Appropriate federal state, retirement, etc. deductions will be made from Longevity payments.

Section 17. Pay for Interim Assignments in a Higher Level Classification

An employee who is formally designated, for a period of at least one month, by the Town Manager to perform the duties of a job that is assigned to a higher salary grade than that of the employee’s regular classification shall normally receive an increase for the duration of the interim assignment. The employee shall receive a salary adjustment to the minimum level of the job in which the employee is acting or an increase of 5%, whichever is greater. Criteria involved in determining the amount of the compensation will include:

- a) the difference between the existing job and that being filled on a temporary basis, and
- b) the degree to which the employee is expected to fulfill all the duties of the temporary assignment.

The salary increase shall be temporary and upon completion of the assignment, the employee shall go back to the salary he or she would have had if not assigned in the interim role, taking into account any increase the employee would have received if not placed in the interim role.

Section 18. Certification Increases

The Town Manager will create a schedule of salary increases to reward employees for attaining and maintaining certifications that increase the employee’s value to the Town.

Section 19. Service Awards

The Town of Blowing Rock has a Service Awards program to recognize faithful service of regular full-time employees. The policy provides for a lump sum bonus to be paid to an employee who qualifies for such bonus based on the following years of service with the Town:

| <u>Years of Service</u> | <u>Award Bonus</u> |
|-------------------------|--------------------|
| 10 years | \$ 150.00 |
| 15 years | \$ 250.00 |
| 20 years | \$ 500.00 |
| 25 years | \$1,000.00 |
| 30 years | \$1,500.00 |

In order to qualify for the bonus, an employee must have served in a full-time capacity with the Town for the total years required for which the award bonus is paid. The time does not have to be continuous service (i.e., works 3 years with the Town and leaves employment but returns to work an additional 22 years with the Town equals 25 years of service). Time purchased from the retirement system will be considered when computing the service bonus. The payment will be made on the anniversary date of employment.

Section 20. Retirement Awards

Employees who retire from the Town are eligible for a lump sum bonus to be paid to an employee who qualifies based on the following:

| <u>Retirement Status</u> | <u>Retirement Bonus</u> |
|---|-------------------------|
| Service Retirement (Unreduced Benefits) | \$1,000.00 |
| Early Retirement (Reduced Benefits) | \$ 500.00 |

Retirement status (service or early) will be defined and determined by the North Carolina Retirement System guidelines.
