Clean-up Week is Coming Soon!

The Town's annual clean-up week is coming up, during the week of October 3-7, 2022. During this week Town crews collect white goods, yard debris (leaves, tree branches, etc.), mattresses, etc. 

Please remember the Town can no longer collect containers with liquids such as paint cans unless they contain kitty litter or oil dry. We also cannot collect propane tanks, electronics, shingles, pallets or tires. These items are considered household hazardous waste and should be disposed of following guidelines available by calling Watauga County Sanitation office at (828) 264-5305. The collection site address is 336 Landfill Road in Boone.

We also ask that yard debris set out for pickup be divided by the following categories of debris: loose leaves, limbs and plants (as pictured below). Please do not block any drains, ditches or driveways.

The annual pick-up is offered once a year in the fall and there is no charge for the pick-up.
