Seven Devils Town Council: Richard DeMott-Mayor Pro-Tem

Watauga County Board of Commissioners: Chairman Jim Deal, Billy Ralph Winkler-Vice Chairman, John Cooper, Mary Moretz,

Watauga County Staff: Rocky Nelson-County Manager, Deron Geouque-Assistant County Manager, Mark Hurst-Assistant Superintendent of Watauga County Schools

Watauga County School Board: Chairman Lowell Younce, Deborah Miller

Appalachian State University: Dr. Loren Baumhover

Facilitator: Dr. Garry Cooper, Christy DeStefano

Watauga High School Project Staff: Jennifer Sisak-Project Architect, sfL&a Architects, Mike Kesterson-Project Manager, James R. Vannoy & Sons Construction

Chairman Deal called the meeting to order at 4:08 p.m. He welcomed all in attendance and turned the floor over to Dr. Garry Cooper. Dr. Cooper began by posing the following focus question relating to the specific topics of the NCDOT Highway 421 project and the proposed Watauga High School project: What can we do together over the next 4-6 months to facilitate timely design and construction of the new high school and the Highway 421 widening projects in Boone with actions that can benefit most county residents, result in both beautiful and functional facilities, and minimize costs and delays?

Dr. Cooper reviewed the results of the previous retreat, reiterated the meeting guidelines and outlined the agenda for the second retreat. He posed the following question relating to each of the two topics: What do we want resolved (to do)? With the input from the group, Dr. Cooper composed the following list:

New High School	421 Widening
Address neighborhood concerns (e.g., tennis courts, etc.) Accommodate future uses (rec./youth center)	Provide for traffic control Accelerate schedule to coincide with high school opening

<p>Provide something for the whole community</p> <p>Address greenway access</p> <p>Provide for traffic control</p> <p>Provide for transportation connectivity(alternative)</p> <p>Address light pollution issues</p> <p>Allow for future high school expansion</p> <p>Insure for public safety in design</p> <p>Minimize impact at waste water treatment plant...water usage</p> <p>Linkages with county parks and recreation plans</p> <p>Pay attention to project schedule</p> <p>Include zero waste@ in design</p> <p>Teach students with green building technology</p>	<p>Make good fit with Boone transportation planning</p> <p>Add enhancements for both aesthetics and functionality</p> <p>Be environmental-friendly</p> <p>Have conversation about loss of business community along present 421 corridor</p> <p>Assure connection between Daniel Boone Drive, Hwy 194, and Hwy 421</p>
--	---

Dr. Cooper explained the next step in the process as determining the component parts of the issue. The following list outlines the component parts as determined by the group:

New High School	421 Widening
<p>Acceptable site plan</p> <p>Simplify/streamline permit approval process</p> <p>Balance different values/concerns</p> <p>Need NCDOT commitments</p> <p>Property ownership (e.g., obtain easements)Integrating what we want to do with design process</p> <p>Balancing wants/desires with budget realities</p> <p>Resolve education requirements with Town of Boone UDO</p> <p>Reconcile difference between existing ordinances/regulations and design & usage of property</p> <p>Coordinate with town utilities (e.g., connections)</p> <p>Identify relationships between high school construction & rec. center</p>	<p>Signing of agreement letters</p> <p>Coordinate who is responsible for what</p> <p>Is there right-of-way on East King Street for bike lanes and sidewalks?</p> <p>Identify impacts on community during construction</p> <p>Balancing wants/desires with budget realities</p>

Dr. Cooper labeled the next step in the process as possibility thinking, or what can we do about the issue. The group created the following list:

New High School	421 Widening
Revise proposed plan	Lobby and pray
Assure open line of communication	Continue to reemphasize issues of importance with NCDOT
Separate things that we can/cannot control	Identify different roles among key players
Best influence the things that we cannot control	Identify width of right-of-way on East King Street
Propose needed ordinance changes to town	Identify who will pay for what on East King Street
Use fill dirt from project within our jurisdiction	
Develop education program for public (issue forms)	
Better communicate sustainable nature of project to others	

Keep people informed	
Monitor/balance budget with time frame in consideration	

Dr. Cooper asked group members to decide what they are committed to doing. The following lists the items to which the various members would commit:

New High School	421 Widening
Revise site plan based on public hearing comments (e.g., tennis courts)	Insure realignment of Daniel Boone Drive
On-going communication to resolvedifferences/issues	Lobby our representatives
Sustainability in design	Work together (all jurisdictions/agencies/organizations)
Occupy new high school in August of 2010	
Work with town to sreamline/expedite approval process	

Dr. Cooper invited the group to suggest the necessary action steps to achieve these goals. Based on the responses, the group created the following list of action steps:

1. Meet with the neighborhood regarding a new proposal.
2. Revise the project plan.
3. Revise the Town of Boone's analysis of the application and revised plans.
4. Approve conditional district zoning.
5. Release bidding documents.
6. Review/revise UDO.
7. Send revised proposal to the Boone Town Council for review prior to its next meeting.
8. Obtain two commitments from the NCDOT regarding alternative transportation improvements to East King Street and the alignment of Daniel Boone Drive with Highway 194 across Highway 421.

For each issue, Dr. Cooper asked the group to decide the launch issue and to assign each action task to the appropriate time period for achievement. He then asked the group to decide which action will indicate that the goal has been achieved.

Issue: New High School

Launch: Revise Plan

Action Tasks:

Week 2

- < Revise Plan
- < Meet with neighborhoods about new proposal
- < Revise town's analysis of application
- < Communication in a timely manner

Week 3

- < Obtain conditional approval
- < Send revised proposal to town council
- < Communication in a timely manner

Week 4

- < Identify entity costs and responsibilities
- < Communication in a timely manner

August

< Complete cost analysis and budget cost analysis

< Communication in a timely manner

September

< Communication in a timely manner

October

< Communication in a timely manner

November

< Communication in a timely manner

Indicator of Victory: Approval by Boone Town Council

Issue: Highway 421 Widening

Launch: Letters of support

Action Tasks:

Week 2

< Send letters of support

Week 3

< Lobby for legislative support

Week 4

< Set NCDOT and county commitment for alternative transportation

August

September

October

November

Indicator of Victory: Things requested are in final plan

Dr. Cooper suggested having one person coordinate the action tasks for the issue of the Highway 421 Widening. Development Services Director John Spear volunteered to oversee the coordination of the action tasks by the necessary parties. With no further discussion, the meeting adjourned at 6:07 p.m.
