(Ordinance #2018-11)  
Date: September 11, 2018

---

Enclosed please find a Budget Amendment Ordinance for the fiscal year 2018-2019 for your consideration.

**Section 1 (General Capital Projects Fund)** is to allocate grant funds awarded to the Town on behalf of the Middle Fork Greenway from the NC Division of Water Resources of the Department of Environmental Quality to be used in the construction of the Chestnut Ridge section of the Greenway including trailhead construction, design and survey needed to be constructed in the coming months.

You may recall the funds were awarded to the Town back in October of 2015 and the grant has a deadline for expenditure of those funds of October of 2018 (attached is the letter of award for your reference). With this date closing in, the Middle Fork Greenway group has begun lining things up to get construction scheduled for this section to fit in this time frame.

Please let me know if you need further details on the proposed amendment.
