Properly Advertised Yes No Not required NA

BACKGROUND:

The N.C. General Statutes allow for retirement of badge and sidearm. The sidearm retirement is conditioned and must be approved by the governing body. Here is an excerpt from the statute:

NCGS 20-187.2

“and retiring members of such agencies shall receive upon request and at no cost to them, the badge worn or carried by such deceased or retiring member. The governing body of a law-enforcement agency may, in its discretion, also award to a retiring member or surviving relatives as provided herein, upon request, the service side arm of such deceased or retiring members, at a price determined by such governing body, upon determining that the person receiving the weapon is not ineligible to own, possess, or receive a firearm under the provisions of State or federal law, or if the weapon has been rendered incapable of being fired.”

Tony has asked that we allow him to keep his sidearm. This is typical in most municipal jurisdictions and it is typically done at no cost. I would like to ask the Council to support his request and award the sidearm.
