

**Town of Blowing Rock**  
**Request for Council Action**

---

FROM: Richard Gambill  
SUBJECT: Installation of 3 Way Stop Sign at Green Hill Road and Green Hill Circle  
TO: Blowing Rock Town Council  
DATE: October 2, 2018  
REQUESTED BY: Residents of Green Hill Circle and Blackberry Lane

---

Public Hearing             Yes    No    Not required    NA  
Properly Advertised     Yes    No    Not required    NA

**BACKGROUND:** The intersection of Green Hill Circle and Green Hill Road is a dangerous intersection in its present condition. It is extremely hard to pull out of Green Hill Circle onto Green Hill Road because of the angle of the intersection and limited visibility. There is a mirror located on Green Hill Road to help with the visibility, but trying to turn left onto Green Hill Road from Green Hill Circle is dangerous. Turning right onto Green Hill Road creates the possibility of being T-boned because of oncoming traffic on Green Hill Road. DOT has projected an increase of traffic on Green Hill Road after the 4 lane project of 321 is completed, due to vehicles using Green Hill Road as a cut thru from the Parkway.

Installation of a 3 way stop sign at the intersection of Green Hill Circle and Green Hill Road would help reduce the potential of a vehicle collision at this intersection.
