Dear Blowing Rock Town Council,

The High Country Triple Crown has very much appreciated a long relationship with the towns of Boone and Blowing Rock and the Valle Crucis community. Our series, which consists of 3 races of varying difficulty and terrain, attracts runners from all over the southeast. All of the proceeds from the races support Girls on the Run (GOTR) of the High Country which is a life-changing, experiential learning program for 3rd-5th graders. GOTR has had eight very successful years at the Blowing Rock Elementary School an addition to twenty-one other sites in the High Country!

For the past eight years, High Country Half Marathon participants have started the run in Boone and ended 13.1 miles later in Blowing Rock. The 2017 route was altered slightly to be able to finish in Davant Field which was a very successful change as noted by our participants, volunteers and community members. With your approval, we would like to again follow this same route to be able to finish at Davant Field, followed by an award's celebration open to the community.

On August 24, 2019 at approximately 8:45am, runners will enter Blowing Rock by taking a left on 221 coming from Shulls Mill Road. The route will take a right onto Laurel Lane, a right on Wonderland Trail, a left back onto Laurel Lane and finally a right turn onto Clark Street to finish in Davant Field. All turns will be staffed by race volunteers who will serve as safety and clean up personnel as well. While we are not requesting any road closures, we would like to request law enforcement presence at the busy intersection of Hwy 221 and Shulls Mill Road just to insure safe traffic flow and participant safety.

Thank you very much for your consideration of our event. We are excited about our 2019 race and the possibility of all of our runners getting to experience the beauty of Blowing Rock once again. We will happily comply with any requests that the Town Council may have and look forward to meeting with you if necessary to discuss this event.

Sincerely,

Mary Sheryl Horine
